At Camp EDMO™, kids develop their creative capacity, unleash their inner scientist and technologist, and plumb the mysteries of the natural world. They lose themselves in STEAM-infused activities designed in concert with experts from brilliant museums. And there's a deeper level. Ultimately, our camp experience inspires young people to accept themselves and others, push their boundaries with confidence and, most importantly, act with real kindness and compassion. Kids grow on lots of levels.

We develop Camp EDMO's curriculum in partnership with:
