The purpose of the Rocklin Basketball Club is to provide an opportunity for girls that live in the Rocklin High School attendance area to improve their basketball skills in a competitive/fun environment. The focus will be skill development, team play, and improving the mental aspect of the game. All coaches involved are experienced and continue to expand upon their knowledge of the game and will be under the unique supervision of Jenna Herford, Head Womens' Basketball coach at Rocklin High School.

In order to tryout, each player must purchase and present an AAU card at tryouts, which can be purchased at [www.aausports.org](http://www.aausports.org), and complete the registration form on the back on this flyer.
