ATTENDANCE INFORMATION

Absences – Daily school attendance is essential for student success. By law, parents are required to send their child to school daily. Parents are strongly encouraged to schedule medical appointments during non-school hours. Whenever possible, a student who is absent for a reason other than illness should attend at least part of the school day.

When students are absent from school, it is important that their absences be cleared on their first day back to school. If the student does not have a note, it will be necessary to call the parent at home or at work in order to clear the absence. Any absence not cleared within 5 days will be marked as truant. According to California law, there are NO legally recognized absences. A student may be excused from school for justifiable personal reasons, including but not limited to illness or injury, medical or dental appointments, bereavement, funeral/memorial services, court appearances, or religious holidays, or an employment conference, when the student’s absence has been requested in writing by the parent/guardian and approved by the principal or designee. A student shall be excused when he/she is the custodial parent of a student who is ill or has a medical appointment during school hours.
Parents will be asked to conference about continual non-illness absences and to improve their child’s attendance. Failure to do so may result in a referral of the student and parent to the Rocklin Unified School District Attendance Review Board for further action.

**Missed Work** - A student absent from school shall be allowed to complete all assignments and tests missed during the absence which can be reasonably provided and, upon satisfactory completion, shall be given full credit. The teacher of any class from which a student is absent shall determine what assignments the student shall make up and what period of time the student shall complete such assignments. The tests and assignments shall be reasonably equivalent.

**Request for Homework** – If your child is ill two days or more, parents may request homework. Call the office at least one day before the day you wish to pick up the assignments. The teacher(s) will have the work ready to pick up in the office after school or the next day.

**Notes from Parents** – Please use both the first and last name on all correspondence from home. This is especially important when the parent and the student do not have the same last name.

Notes are still required to satisfy the compulsory education law. Please call the school to report an absence or leave a message. Please state your child’s first and last name, reason for absence, and dates of the absence.

**Tardies** – An emphasis is placed on students arriving to school on time. Late students often miss the focus of the day or lesson and disrupt the flow of the lesson for other students. When students are late for school, please check into the office before going to class. Parents will be notified if a student has continual tardies and will be asked to follow through with a program to increase punctuality. Repeated tardiness can be grounds for revocation of intra or inter district transfer requests. Repeated tardies may result in a referral of the student and parent to the Rocklin Unified School District Attendance Review Board for further action.

**Independent Study** – When a student knows he will be away from school for at least 5 days, the school can assign work through an Independent Study Program. If the work is completed and the Independent Study Contract is fulfilled, the student will receive credit for being in school. Parents must inform the office at least one week in advance to receive their child’s work unless it is an emergency.

**Appointments** – If your child needs to leave school for an appointment, please send a note with the student in the morning. Sign your child out at the school office before taking him/her out of class.

RUSD Attendance Trifold

PARENT COMMUNICATION / PARTICIPATION

**Student Folder**
Every Thursday our Students bring home a folder containing important papers from our school, teachers and our PTC. Please remove the papers and sign the front of the folder. Send it back with your child each Friday.

**SchoolMessenger**
From time to time, we will use our SCHOOL MESSENGER system to notify parents of important school information and reminders. You will receive emails and/or telephone messages via this system.

**School Website**
Please check our school’s website on a regular basis for up-to-date information. Our address is vves.rocklinusd.org

**School Newsletter**
Monthly or every other month (depending on amount of news) our Cubs Connection Newsletter is sent home via SCHOOL MESSENGER. It is typically sent the first week of the month and can also be found on our webpage.

**School Visitations / Visitor Registration** – (Reference Board Policy/ Administrative Regulation 1250)
The Board of Trustees encourages parents/guardians and interested members of the community to visit the schools and view the educational program. To ensure minimum interruption of the instructional program, visits during school hours should be first arranged with the teacher and principal or designee. If a conference is desired, an appointment should be arranged with the teacher during non-instructional time.

To ensure the safety of the students and staff and avoid potential disruptions, all visitors shall register in the school administration office immediately upon entering any school building or grounds when school is in session.

For purposes of school safety and security, the school may design a visible means of identification for visitors while on the school premises.

No electronic listening or recording device may be used by students or visitors in a classroom without the teacher and principal’s permission (*Education Code* Section 51512).

**Parent/ Teacher Conferences** – Parent/teacher conferences are scheduled twice during the year for all students. In the fall they are held at the end of the first trimester and again in the spring at the end of the second trimester. The Rocklin Unified School District schedules minimum days during conference week so teachers may have sufficient time to meet with parents. The average length of a conference is 20 minutes and involves reporting progress and creating goals for students. Parents and teachers are encouraged to set up additional conferences as the need arises during the year.

**Student Records** – The Rocklin Unified School District maintains cumulative records for each student as required by law, and any additional records that would be helpful in providing maximum educational opportunities for students. These records are available for parents to review. Please call the school office to set up an appointment with the principal to review your child’s cumulative record.

**Complaint Procedures** – The school follows the procedures outlined below to address parent concerns and complaints. Please use the following steps if you have a concern:

1. Classroom concerns should first be brought to the attention of your child’s teacher. Please call the teacher to explain your concern. Small concerns may be addressed by a phone call; larger concerns are better addressed in a conference.
2. If the classroom concern is not satisfactorily addressed with the teacher or the concern is a school level concern, please call the school administrator. Small concerns may be addressed by a phone call; larger concerns are better addressed in a conference.

3. If the concern is not satisfactorily addressed with the school administrator, the parent may schedule a meeting with a district representative.

The District assures that students, employees, parents or guardians of its students, school and district advisory committees will not be discriminated against. Unlawful discrimination complaints may be filed using the Uniform Complaint Procedure (UCP). A brief description of the UCP is in the appendix of this handbook. Also, see the appendix for the Annual Notification of Title IX / Gender Equity. A copy of the UCP is available at the District Office from the Human Resources Department.

**Volunteers** – We strongly encourage and wholeheartedly welcome volunteers at Valley View Elementary School! We have over 300 community volunteers that support our programs. All volunteers need to be fingerprinted and have TB test on file before they can work on our campus or with our students. Please call or stop by our school office to receive instructions for volunteer clearance. We need your help and support! For the safety of all our students, all volunteers must be fingerprinted. The procedures are described in the Appendix – Use of Volunteer Services (Board Policy / Administrative Regulation 1240). When coming onto campus, please enter from front of school and signing in the office is mandatory. Do not be offended if we ask you to go to office to get a badge and sign in. We are just ensuring safety for all our students.

For the safety of all our students, all volunteers must be fingerprinted. The procedures are described in the Appendix – Use of Volunteer Services (Board Policy / Administrative Regulation 1240)

**Parent/Teacher Club (PTC)** - The Valley View PTC is a fundraising and activity oriented organization that works to enhance the educational experiences of our children, support the teaching staff and be active in the community service. Throughout the school year, fundraisers are held to help support many areas of need such as our new science lab, literacy, technology/software programs, and educational assemblies. The PTC calendar is on the VVPTC website listing all the scheduled events including the Board Meetings. There is always a need for volunteers to help with the many activities planned. Please volunteer when you can, sign up for events you will enjoy, and become an active participant in your child’s educational experience. Visit Valley View PTC website at: www.vvptc.com.

**SAFETY**

**Student Safety** (Reference Board Policy/Administrative Regulation 5142) – The Board of Trustees places high priority on safety and on the prevention of student injury. Principals and staff are responsible for the conduct and safety of students from the time they come under school supervision until they leave school supervision, whether on school premises or not. The Superintendent or designee shall establish regulations and procedures as necessary to protect students from dangerous situations.

The Superintendent or designee shall ensure that teachers, teacher aides, yard aides, and volunteers who supervise students receive training in safety practices and supervisory techniques which will help them to forestall problems and resolve conflicts.

The following visitor regulations shall be in place at each school site:

- All visitors, including parents, must sign in at the office.
- All unknown visitors will show proof of identity.
- Uniform identification badges will be used throughout the district.
- Picture identification badges will be used by District employees who visit campuses (i.e. superintendents, maintenance, and transportation/cafeteria supervisors).
- A “buddy system” will be in effect for grades K-3; students will have a companion when leaving the classroom (this is recommended for students in grades 4-6, but is not mandatory).

**Emergency Cards** – Student emergency cards must be kept current. If a student becomes ill or is injured at school, we must have a phone number where we can reach the parent, guardian, or a designated substitute. Your child will not be released to an adult unless the adult is on the emergency card.
Accidents – If a serious injury occurs on the school grounds or on the bus, parents will be notified and asked to pick up the child for their own observation or examination by their family physician. Parents will be promptly notified of all injuries not considered minor. It is critical that parents/guardians keep the emergency card up to date. If the accident is serious the school will call 911 and notify the parents immediately.

Emergency Situations – The Rocklin Unified School District has plans and preparations for major emergency situations. Our staff has been trained and drills are held regularly to make certain that the students understand emergency procedures.

Please inform your children that they are as safe at school as they are at home in a serious emergency. School buildings have been designed with safety in mind and inspections are made regularly to remove possible hazards. Personnel are trained in first aid. Our primary concern in the event of an emergency is the safety and welfare of the students.

Please instruct your children to obey the directions of their teachers and follow the directions of the bus driver if they are on the bus. If walking or riding a bicycle, your child should continue toward their destination when an emergency situation develops.

Your cooperation is asked in any emergency:

● Please avoid calling the school. Telephone lines will be needed for emergency situations.
● Please avoid driving to school. Streets should be as open as possible for emergency vehicles.
● Turn your radio to any of the local Placer/Sacramento County radio stations. Information and instructions for picking up students during or after an emergency will be given over the radio. AM – KAHI 95, KFBK 1530; FM – KHYL 101, KAER 92.5.
● In the event your child’s school must be evacuated, your child will be transported to another school. The school of choice will be determined by the nature of the emergency. Specific information will be broadcast on the local radio stations listed above.
● The school will utilize a mass calling system to update you with key information regarding the situation.

Office Telephone – The office telephone is for emergency use only. Please make after school arrangements with your child in advance. Office staff are not permitted to interrupt classroom instruction to relay messages to students. Emergency situations should be communicated to the principal and necessary actions will be taken to ensure appropriate communication occurs.

Safety Drills – In accordance with state law, an emergency evacuation is conducted every month. Students are expected to respond quickly and safely as directed by their teacher. If you are in your child’s classroom during a fire drill or a lockdown drill, please stay with your child until the drill is over.

Safe Arrival and Departures – The Rocklin Police Department and our school officials work closely to plan for the safe arrival and departure of students. We are asking for your support and help in the safe loading and unloading of children.

● Assist us in teaching your child to use the crosswalks when coming to school and leaving school.
● Do not stop your vehicle in the crosswalk or in front of the driveway to deliver or pick up your child. California State law prohibits stopping in a designated crosswalk. This constitutes a moving violation.
Teach your child to walk, not run, in the crosswalk.
Do not leave your vehicle unattended in the loading and unloading zones.
The bus lane is for buses only. Do not use it for drop off or pick up.

PLEASE ADVISE ANY DRIVER WHO MAY TRANSPORT YOUR CHILD OF THESE REGULATIONS.

Dogs on Campus – Due to health reasons, dogs are prohibited from being on the school campus during, before, or after school hours. The only exception is when a pet is part of an arranged presentation. In that situation, the pet must arrive shortly before the scheduled time and be removed immediately after the presentation ends.

2225 Corp Yard Rd. (next door to UPS, off of Sierra Meadows Drive)
Rocklin, CA 95677

If a student is going home on a different bus, parents must send a note to school stating their approval, bus number, and stop. Buses at full capacity may deny students who do not regularly ride that bus. For information regarding bus passes please contact the Transportation Department.

Thomas Edward Lanni School Bus Safety Act of 1997 (AB1297)
Prior to the passage of AB1297, school bus drivers were required to activate a bus's red flashing signal lights and the stop signal arm only when a student the bus had been carrying was about to cross a public or private roadway. After January 1, 1998, the red flashing signal lights and stop signal arm are required to be operated every time the bus stops for the purpose of loading or unloading students, even if the student does not intend to cross the road.

Vehicle Code 22454 states that the driver of any vehicle, upon meeting or overtaking, from either direction, any school bus displaying a flashing red light signal and stop signal arm, that is stopped for the purpose of loading or unloading students, shall bring the vehicle to a stop immediately before passing the school bus and shall not proceed past the school bus until the flashing red light signal and stop arm signal arm cease operation.

HEALTH SERVICES

Health Office Information - The school health office is staffed by a part-time health aide. Students cannot be diagnosed by the staff in the health office; your student’s physician will need to provide a proper diagnosis. Students will only be released to persons listed on the Emergency Card and 911 will be called if the situation could be life threatening.

**Medications** (Reference Board Policy 5141.21) - The school health office also supervises students who are required to take medication during the school day. A written authorization from the student’s physician and parent or guardian is required before designated school staff can assist the student in taking any medication, including medications prescribed by the physician and over-the-counter medications such as Tylenol, Motrin, cough drops, and ointments. These medication forms are available in the school office and the RUSD Health Services Webpage: www.rocklinusd.org/Health

Any medications that will be stored in the Health Office must be signed in by a parent-guardian and staff member. The Health Aide/staff member will verify the medication against the physician’s orders, noting the medication’s expiration date, quantity, and form (liquid, pills, inhaler, nasal spray, eye drops, etc.)

All medication must be in the original container and kept in a locked cabinet for the safety of all students. **Students are not allowed to carry any form of medication (prescription or over-the-counter) at any time while on campus** except those medications with written authorization from the student’s physician (e.g., inhalant for asthma, Auto-injector Epi-Pen for severe allergies). Physician’s orders are required to be kept on file at the school for students carrying authorized medication. When on a field trip, the medications kept in the health office shall be monitored by and in possession of a teacher at all times.

Prior to the beginning of school, please notify the school health office of any chronic health issues, such as heart problems, diabetes, severe allergies, hearing loss, vision/glasses, chronic pain, asthma, seizure disorders, etc. This enables the school to communicate the necessary accommodations to appropriate staff to ensure that student health needs and safety are cared for.

**Health Screening** – California schools must conduct vision and hearing screening on all students upon school entry and every third year through eighth grade. (California Code of Regulations, Title 17, Section 2952 (c)(1)). Rocklin USD screens all students for hearing in kindergarten/first grade and in second, fifth, eighth, and upon first school entry. Screening for vision is done in kindergarten/first grade and in second, fifth, eighth, and upon first school entry. Screening for vision is done in kindergarten, second, fifth, and eighth grades.

Per Education Code 49452.8 all students shall present proof of having received an oral health assessment by a licensed dentist, or other licensed or registered dental health professional operating within his or her scope of practice, that was performed no earlier than 12 months prior to the date of the initial enrollment of the student. Rocklin USD may provide dental screening by a licensed dental professional to students in kindergarten, second, fifth, seventh, eighth, ninth, tenth, eleventh, twelfth, and/or during their initial year of enrollment. This screening will fulfill the legal requirement. The results will be kept on file at school and sent home. Dental screenings
only find obvious dental problems and serve to identify students who need further examination and dental treatment. There will be no x-rays taken. The screening does not take the place of a thorough dental examination. Parents/guardians will need to secure the services of a dentist in order for my student to receive a complete dental examination necessary to establish and maintain oral health. Receiving this dental screening does not establish any new, ongoing or continuing dental professional-patient relationship. The parent or legal guardian may exclude the student from the dental screening by providing Rocklin USD a written and signed note stating they do not consent to an assessment.

The parent or legal guardian may excuse the student from complying with the oral health assessment requirement by filling out Section 3: Waiver of Oral Health Assessment Requirement on the California Department of Education Oral Health Assessment form certifying that the oral health assessment could not be completed because of one or more of the reasons provided.

The form is located here: www.cde.ca.gov/ls/he/hn/documents/oralhlthassess.doc

**Home Hospital Instruction** – If a physician feels your student will likely be out for an extended period of time, then you may apply for Home Hospital Instruction in the Administration building at your student’s school. A teacher will then be assigned to visit your student at home or in the hospital. The student may not return to school without a physician authorized return date.

**Immunizations** – Under the California School Immunization Law (California Health and Safety Code, Sections 120325-120375), students are required to receive certain immunizations in order to attend public and private elementary and secondary schools, student care centers, family day care homes, nursery schools, day nurseries and developmental centers.

The California School Immunization Law also requires schools, student care centers, and family student care homes to enforce immunization requirements, maintain immunization records of all students enrolled, and submit reports to the local health department. Students have 10 days from the time of notification to provide documentation of missing immunization; otherwise they may be excluded from school.

For a further details on the immunization requirements please visit www.shotsforschool.org

**Short Term Independent Study Student Work Assignment** – If you know in advance that your student will be absent for at least five consecutive days due to illness or medical procedure you may apply for a Short Term Independent Study Student Work Assignment in the Attendance Office at your student’s school. The teacher(s) will put together study materials for your student to complete on their own.

**Health Services Webpage** – Please note that all of the information above and more can be found on the Health Services Webpage: www.rocklinusd.org/Health.
ACADEMIC INFORMATION

California Assessment of Student Performance & Progress (CAASPP) – Each spring students in grades 3 through 6 take the CAASPP which is aligned to California’s new, rigorous academic standards. Results are sent home with students within 3 weeks of receiving them from the state.

Homework - Homework should be an extension or independent practice of what was learned in school. Students are expected to complete and hand in homework when assigned. (See the attendance section for requesting homework after or during an absence.)

Standards Based Grading – Instruction is focused around the standards identified for each subject in each grade level. Students are provided with information about how their work will be evaluated and how their level of proficiency will be determined. Teachers modify instruction to meet a wide variety of learning styles and levels of ability.

A student’s progress is summarized every trimester on a standards based report card. The report card will indicate the status of your child's work based on mastery of skills for each trimester.

Promotion / Retention Information (Reference Board Policy/Administrative Regulation 5123) - The purpose of retaining students is to provide additional opportunities for a student to learn grade level skills. Legislation (AB1639) requires that all school districts establish a promotion and retention policy. AB1639 also requires school districts to offer supplemental instruction to students with low reading, writing, or math achievement.

Students are required to demonstrate that they have mastered grade level expectations in order to be promoted to the next grade. Grade level expectations are based on the following:

- Scores on achievement tests
- Teacher evaluation of student's abilities and effort
- Student's motivation level
- Proficiency assessments
- Parental involvement and family commitment to supporting the student's academic achievement
- Attendance

When a student is identified as being at risk for retention or recommended for retention, the school shall provide opportunities for remedial instruction to assist the student in overcoming the academic deficiencies. Such opportunities may include, but are not limited to, tutorial programs, after-school programs, summer school programs, and/or the establishment of a student study team.

The Superintendent or designee shall communicate in the strongest terms possible, the urgency of the student attending the recommended remedial instruction and learning the necessary skills. To fail to do so shall severely jeopardize the student's opportunity to be promoted.

If a student is identified as performing below the minimum standard for promotion, the student shall be retained in his/her current grade level unless the student's regular classroom teacher determines, in writing, that retention is not the appropriate intervention for the student's academic deficiencies. This determination shall specify the reasons that
retention is not appropriate for the student and shall include recommendations for interventions other than retention that, in the opinion of the teacher, are necessary to assist the student in attaining acceptable levels of academic achievement.

If the teacher’s recommendation to promote is contingent on the student’s participation in a summer school or interim session remediation program, the student’s academic performance shall be reassessed at the end of the remediation program, and the decision to retain or promote the student shall be reevaluated at that time.

**Teacher Training / Planning Time** - The District schedules one hour every Monday afternoon for articulation in grades TK-12.

Teachers will utilize TK-12 articulation days to receive specialized training in a variety of instructional practices including reading recovery, differentiated instruction, guided reading/writing, assessments, and mathematics. District-wide in-services are organized to allow our teachers adequate time to plan curriculum and align our instructional program with state mandates. Additionally, teachers will be able to share what is working well in their classrooms with their colleagues to improve student achievement for all our children. If you have any questions, please contact your child’s school.

**Student Success Team (SST)** - The Student Success Team is a school-site team, which identifies effective strategies to meet the needs of individual students who are not progressing due to academic, behavioral, medical or other concerns. The Student Success Team process is a collaborative process between the school and the parents on behalf of the student. The parent, teacher or other staff may make requests for assistance to the Student Success Team through the school; student success team coordinator or the principal. The Student Success Team meeting will include the parent, the student (if appropriate), the student’s teacher, administrator, team coordinator, general education teachers and other support staff as needed.

**Special Resources** - A variety of special resources and programs are provided for students with unique needs. To qualify for programs, students need to be referred through a meeting of the Student Success Team or demonstrate unique needs on assessments. These programs include:

1. **Special Education:** The district strives to provide an educational program to meet the needs of all school-aged children within the district. The district provides special education services described in Education Code (56000-56001). A student shall be referred for special educational instruction only after the resources of the regular education program have been considered and/or modified. If a student is referred to special education, parents will receive a notification of rights and an explanation of proposed assessments. Following assessments, a report of findings will be written and an IEP team will meet with the parent to develop an Individualized Education Plan. This plan and the student’s progress based on the plan will be reviewed with the parent/guardian at least annually. Special education programs include the Special Day Class, Resource Specialist Program, and speech and language services.

2. **Speech and Language:** The speech-language program in the Rocklin Unified School District serves students from three years of age through twelfth grade. Students may be referred to the speech-language pathologist at their school for a speech-language screening by their teacher, parent, and the student study team or other concerned individuals. Students who qualify for the speech-language program may be
served in a variety of ways. Students may attend individual or small group sessions, or be served in the regular classroom.

3. **Psychologist:** Psychological services are available to the school as the need arises throughout the year. A psychologist is available on a limited basis for testing children and working with parents and teachers.

4. **English Language Development:** Students who are non-native English speakers are assessed to identify their level of fluency in English. Students who are not fully fluent in English participate in the English Language Development program to increase their English fluency and vocabulary. Teachers use specific instructional strategies to help students learn the curriculum while learning English.

5. **Intervention:** This program helps students who are below standard in core academic subject areas. Small group instruction may be provided as an extension to the regular school day or occur during the school day.

**Special Programs**

1. **Visual and Performing Arts (VAPA):** RUSD provides a balanced curriculum, with arts as part of the core for all students, kindergarten through grade 12. Programs and curriculum incorporate the following four components in alignment with the California State Framework for Visual and Performing Arts: Dance, Music, Theater, and the Visual Arts. The components of the arts education are: (1) Artistic Perception, (2) Creative Expression, (3) Historical and Cultural Context, and (4) Aesthetic Valuing.

2. **Art Docent:** The Art Docent Program has been an important part of visual arts education in Rocklin schools for over eighteen years. Adults (parents, grandparents, and friends) who wish to volunteer their time are provided training in September for the grade level they have requested to teach. They present an art lesson once every three weeks in which six to ten works of art are shared, along with a discussion of the artist's lives, art forms, and techniques. The students often get a “hands-on” chance to create their own masterpieces. Being an Art Docent is a very rewarding way to share in your child's classroom experiences. You need not have any previous art or teaching experience, just enthusiasm and a passion for art!

3. **Instrumental Music:** Instruction in wind/percussion instruments begins in grade 5, two days per week.

4. **Gifted and Talented Education – GATE:** (Reference Board Policy/Administrative Regulation 6172)

   The mission of the Rocklin Unified School District's Gifted and Talented Education (GATE) Program is to identify gifted and high achieving students, including those from diverse racial, socio-economic, linguistic, and cultural backgrounds, and to provide high quality differentiated instructional opportunities for learning that meet the needs of these students' unique abilities and challenge them to enhance their learning in our schools.

   If you wish to refer your student to the GATE Program, please submit a Request for Student to be Tested for GATE form which can be obtained from the school office or the GATE page of the RUSD website. Screening may be started at the Grade 1 level. Screening sessions are typically held in the fall for
Grades 1-12. Make-up tests for all grade levels are held in the early winter. Please contact Bill MacDonald, 916-630-3187 for more information on this process or if you are interested in joining the GATE Advisory Committee.

Every school in the Rocklin Unified School District has a GATE program. Self-contained classrooms for GATE students in grades 2 through 6 are located at Rocklin Elementary School. All other elementary schools have GATE cluster classrooms within the general education classrooms in grades 2-6. Both middle schools have GATE Academies and both of our comprehensive high schools offer honor and AP classes (see the Academic Planning Guide on both Rocklin H.S. and Whitney H.S. websites for more information.)

5. **Physical Education**: Physical education is vital to the long-term health and well being of our students. It greatly contributes to the development of physically, mentally, socially, and academically balanced individuals.

Physical education is not interchangeable with recess. It is a sequentially taught, developmentally appropriate program which addresses areas such as body mechanics, social interactions, establishment of personal goals, good sportsmanship, safety, and enjoyment.

A quality physical education program at the elementary school level is essential for the introduction and development of movement skills necessary for successful participation in sport and fitness activities through teen and adult years. Eighty (80) minutes per week of specialized P.E. instruction is provided each student in grades K through six. Another 20 minutes of instruction is provided by the classroom teacher.

6. **School Sponsored Trips** (Reference Board Policy/Administrative Regulation 6153)

**Field Trips requiring Board of Trustees approval** include travel of students to any location outside of California and Washoe County, Nevada.

**Co-curricular Field Trips** are defined as activities that may be associated with the curriculum in a regular classroom. These are outgrowths of classroom activities and serve as valuable supplements to the regular classroom program. They are designed to encourage and/or reinforce classroom instruction and may be funded by the district. Class trips involving short distances by bus or walking are encouraged, whereas trips involving many miles of travel are discouraged.

**Extracurricular Field Trips** are activities which include, but are not limited to, athletic events, cheerleading, and the variety of events sponsored by school clubs and organizations as approved in writing by the Principal. These activities provide students with opportunities to participate in educational, social, and intellectual development of the students.

Students must have written parental permission in order to participate in trips requiring transportation (Education Code 35350). The district shall provide an alternative educational experience for students whose parents/guardians do not wish them to participate in a trip. Students who do not have written permission may not be allowed to participate in a particular field trip. **Only students who are members of the class** may attend the field trip activity.
All chaperones going on field trips must be fingerprinted (forms are available in school offices; school staff will provide instructions).

Parents who wish to accompany their own student on a field trip and are not a chaperone may do so. However, their student will be assigned to a group and a chaperone, and that parent will need to “buddy-up” with the chaperone assigned to their student. Parents who are not serving as chaperones will need to provide their own transportation on field trips.

STUDENT INFORMATION

Bicycles / Skateboards - Bicycles may be ridden to and from school with the understanding that they will be maintained and operated in a safe manner. This includes:

1. Using the crosswalk
2. Locking your bicycle inside the designated bike area
3. After parking your bicycle and locking it, please stay out of the bicycle area
4. Walking your bike while on the playground or school sidewalks
5. Wearing a helmet
6. Parents-make sure your child has capable riding skills and knows the rules of the road before allowing him/her to ride to school.
7. The school cannot be responsible for damaged or stolen bicycles

Skateboards are not allowed at school.

Big Buddies - All classes are matched up with buddy classes. Upper grade students work with students in the primary grades as mentors. This helps provide academic and social support to younger children while reinforcing a leadership role for our older students. This program also helps foster a school-wide family feeling.

Birthdays - A child’s birthday is a family celebration. We do not permit the use of instruction time to “celebrate” a child’s birthday. Balloons, presents, etc., should be presented to your child at home. Cake, candy or cookies at school are discouraged. The sugar makes it difficult for our students to focus on learning. To avoid hurt feelings, please refrain from distributing birthday or party invitations at school unless the entire class is invited.

If you wish to prepare a healthy snack for your child’s class during recess, please make arrangements with the teacher prior to bringing it in as some children have food allergies. As part of our efforts to promote healthy choices, we strongly encourage bringing in juice, fresh fruits, low sugar nutrition bars, berries and yogurt or other healthful fun snacks. Once again, we would prefer that cakes, cupcakes, cookies, and candy are NOT brought to school. We appreciate your support in giving our students healthy choices.

Books and Materials - Each student is issued a set of books and math tools at the beginning of the school year. It is recommended that books be covered with book covers. Students are expected to care for the books and materials and return them in June in a similar condition. Students will be charged for excess wear and tear on materials, or lost books and math tools. Report cards will be withheld pending payment.
**Cell Phones on Campus** (Reference Board Policy 5131) - Grades K-12 students are allowed to have cell phones and other electronic signaling devices in their possession while at school. However, cell phones and other electronic signaling devices must be off during school hours, shall not be visible and shall not be used during school hours. The cell phone may be used if it is for a supervised school activity.

**Gum** - Gum is not allowed at school.

**Lost and Found** - Parents are strongly encouraged to label jackets, sweaters, and lunch boxes with their owner's name. "Found" articles will be kept in the lost and found bins located in the Multipurpose Room. If items are not claimed, they will be donated to a charitable organization in December and June.

**Library Usage and Behavior** - Students may use the library any time during school hours under the supervision of an adult in charge. This may be a scheduled class visit, or an individual visit by permission of the teacher and the librarian for independent study. Students must have a pass to enter the library during school hours, including lunch, if not accompanied by a teacher or teacher assistant. NO STUDENT may be in the library unsupervised at any time.

While in the library, students will follow school rules and are expected to conduct themselves responsibly. Loud talking, running, eating, and drinking are not appropriate in the library. Students exhibiting these behaviors will be asked to leave.

Students may borrow books for a two week period of time. The number of books a student may have checked out at any one time is determined by grade level. If students have any overdue books, they will not be allowed to check out any more until the overdue has been cleared.

**Library Book Damage or Loss** - Students are expected to pay for excessive damage to library books or for the loss of books. The cost will be determined by the current replacement cost of the book(s). Students who do not meet those obligations lose further borrowing privileges and report cards will be withheld until such obligations have been met.

**Personal Property** - All students should mark personal belongings with first and last name before articles are brought to school. This includes lunch boxes, backpacks, coats, sweaters, umbrellas, gloves, binders, etc.

Valuables, expensive items, radios, iPods, iPads, eReaders, CD players, and other electronic items other than cell phones (see specifics about cell phones on page 23 should be kept at home and are also **not allowed on field trips**. All toys, including playground equipment such as basketballs, baseballs, bats, and gloves, etc. should be left at home. An item can be specifically approved to be at school by the teacher, but the school or district is not responsible for loss or damage to personal items. If an item is brought to school without permission, it will be confiscated and returned only to the parent.

Dangerous or illegal items are not allowed at school and in some cases suspension or expulsion of the student can occur if such items are brought to school.
**Student Clubs and Extracurricular Activities** - Each year the school strives to provide a variety of clubs and extracurricular experiences for students to extend their learning and explore other areas of interest. These vary from year to year. Please check with the school for current opportunities.

**Student Dress and Appearance** (Reference Board Policy 5132) - The Board of Trustees believes that appropriate dress and grooming contribute to a productive learning environment. The Board expects students to give proper attention to personal cleanliness and to wear clothes that are suitable for the school activities in which they participate. Students' clothing must not present a health or safety hazard or a distraction which would interfere with the educational process. The major responsibility for dress and grooming is placed upon the student and the student's parents. The administration reserves the right to decide the appropriateness of the student's attire. Inappropriately dressed students will be expected to change clothing. The following guidelines are intended to define appropriate student attire and personal grooming and shall apply to all regular school activities:

- All garments must fit and be worn in the manner in which they are designed. Pants must be worn at or above the hip point and be able to stay up without a belt.
- Footwear must be worn at all times. At all elementary schools, for safety reasons, thongs or backless shoes/sandals are prohibited; however, sandals may be worn if they have heel straps.
- For the safety of our students, Physical Education requires that athletic shoes that stay on during high activity be worn. The following shoes are not allowed in PE: sandals; boots, including Uggs; shoes with wheels or rollers; soft shoes with no support, such as Toms, slippers, and shoes with separated toes; and shoes with uneven or abnormal sole thickness, such as Shape Ups.
- Clothes shall be sufficient to conceal undergarments at all times. See-through or fish-net fabrics, halter tops, off-the-shoulder or low-cut tops, tank tops, torn off sleeves, bare midriffs, and skirts or shorts shorter than mid-thigh are prohibited.
- Inappropriate lettering, printing, message patches, or messages on clothing, hats, backpacks, binders or other personal items are prohibited.
- Clothing and jewelry shall be free of writing, pictures, or any other insignia which are crude, vulgar, profane, or sexually suggestive or which advocate racial, ethnic, or religious prejudice or the use of drugs or alcohol.
- Hair shall be clean and neatly groomed. Hair may not be sprayed by any coloring that would drip when wet.
- Gym shorts may not be worn in classes other than physical education.
- Any apparel, jewelry, accessory, school materials, or manner of grooming which by virtue of its color, arrangement, or any other attribute denoting membership in a gang is prohibited.
- Hats are not allowed to be worn in the classroom (district-wide) with the exception of classroom curriculum activities.

**Textbook and Library Book Refund Information** - Any student, who pays for a lost textbook, a lost library book, or other school material and later finds the item, may return it to the school for a refund until September 30 of the following school year, as long as the item is in acceptable condition and is still being used by the school.

**STUDENT CONDUCT**

**What is School Wide Positive Behavior Expectations and Supports (SWPBIS)?**

**Valley View Elementary School SWPBIS Rules**

Social Skills Development

**Discipline Procedures** - Students are expected to know and follow all school rules as well as exercise good judgment in making decisions regarding their behavior. Central to this is the need for students to help create an environment in which everyone can learn and interact cooperatively. Safety, respect, and maintaining a positive atmosphere for learning is everyone’s responsibility. When a student’s behavior is such that these critical elements are jeopardized, disciplinary action is warranted.

Discipline at Valley View Elementary is focused on instructing students to learn from their mistakes, teaching students there are consequences for their behavior, and maintaining a positive learning environment. Behavior is best addressed immediately by the adult present when the problem has occurred. In most cases, behavioral concerns are handled by a teacher or by a yard duty supervisor. Repeated problems with behavior or those of a more serious nature may be referred to the school office. The principal or designee will then work in conjunction with the student, parents and referring staff member to resolve the situation in a fair, timely and appropriate manner.

As we believe that the family is key to helping maintain high behavioral expectations, it is important that communication between home and school is emphasized. **Parents who have questions regarding their child’s behavior or a problem that has occurred at school are strongly encouraged to contact your child’s teacher.** If questions still remain regarding a situation, school administration may be involved. Similarly, school staff will contact a child’s parents in addressing behavioral concerns when something arises beyond what one might normally encounter on a day to day basis.

**Bully Prevention**

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. Both kids who are bullied and who bully others may have serious, lasting problems.

In order to be considered bullying, the behavior must be aggressive and include:

- An Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.

The RUSD Board of Trustees recognizes the harmful effects of bullying on student learning and school attendance and desires to provide safe school environments that protect students from physical and emotional harm. District employees shall establish student safety as a high priority and shall not tolerate bullying of any student.

No individual or group shall, through physical, written, verbal, or other means, harass, sexually harass, threaten, intimidate, retaliate, cyberbully, cause bodily injury to, or commit hate violence against any student or school personnel.
Any student, parent/guardian, or other individual who believes that a student has been subjected to bullying or who has witnessed bullying may report the incident to a teacher, the principal, a compliance officer, or any other available school employee. Within one business day of receiving such a report, a staff member shall notify the principal of the report, whether or not a uniform complaint is filed. In addition, any school employee who observes an incident of bullying involving a student shall, within one business day, report his/her observation to the principal or a district compliance officer, whether or not the alleged victim files a complaint.

**Internet Safety / Social Networking**

Cyberbullying or Harassment Using Social Media – The use of information and communication technologies like social media to send text or images intended to hurt or embarrass others is not allowed.

Cyberslander – Social media defamation or cyberslander, the act of making untrue statements whether by libel (printed or broadcast) or slander (oral), about another person using internet-based applications is not allowed.

Under the California Education Code, students who engage in bullying or cyberbullying face possible suspension and expulsion even if the bullying is happening outside school and/or sent from a computer at home.

Students should:

- Recognize the danger in using personal name, address, phone number, picture, or other personal information online.
- Understand why logon information and passwords should not be shared.
- Understand why not to click on pop-ups and advertisements.
- Know the differences between ethical and unethical use of technology.
- Comply with copyright law when copying and pasting from websites.
- Demonstrate respect for opinions of others posted online.
- Recognize and report cyberbullying.

**Sexual Harassment** – Students in grades 4-12 can be suspended from school for sexually harassing another student. Sexual harassment of a student “as a joke” is also a suspendable offense. (Refer to Board Policy/Administrative Regulation 5145.7 online or in the Parents’ Rights and Responsibilities document.)

**Suspension and Expulsion** – (Refer to Board Policy/Administrative Regulation 5144.1 in the Appendix or on the RUSD website.)

   Parent/Guardian: Each parent/guardian desiring to schedule a parent/teacher conference is required under normal circumstances to give a 24 hour notice and report to an area designated by the school principal to sign a register before meeting with the teacher for such conference. A parent/guardian wanting to visit the classroom or view his/her student's participation in a presentation, demonstration, or performance is required to report to a designated area and register before attending the above mentioned activity. In either case, if the request is approved, the visitor will be announced to the teacher by the office personnel, and the visitation will be coordinated by a school representative. When a parent/guardian comes to the school to attend a pre scheduled conference, e.g., week of parent/conferences, such a meeting/conference is not considered a school visitation and the parent/guardian is not required to register. The Superintendent or designees shall post at every entrance to each school and school grounds a notice setting forth visitor registration requirements, hours during which registration is required, the registration location, the route to take to that location, and the penalties for violation of registration requirements. (Penal Code 627.6) Unless otherwise directed by the principal or designee, a staff member shall accompany visitors while they are on school grounds.

   Any person other than the following is considered a visitor and required to register upon entering school premises during school hours: (Penal Code 627.1, 627.2, Evidence Code 1070)

   DENIAL OF REGISTRATION

   The following provisions of law shall apply to visitors:
The principal or designee may refuse to register any visitor if he/she reasonably concludes that the visitor's presence or acts would disrupt the school, students, or employees; would result in damage to property; or would result in the distribution or use of a controlled substance. The principal or designee or school security officer may revoke a visitor's registration if he/she has a reasonable basis for concluding that the visitor's presence on school grounds would interfere or is interfering with the peaceful conduct of school activities or would disrupt or is disrupting the school, students or staff. (Penal Code 627.4)

The principal or designee may request that a visitor who has failed to register, or whose registration privileges have been denied or revoked, promptly leave school grounds and not return within 48 hours (Ed.Code 32211). When a visitor is directed to leave, the principal or designee shall inform the visitor that if he/she reenters the school within seven (7) days, he/she will be guilty of a misdemeanor subject to a fine and/or imprisonment. (Penal Code 627.7)
